Cuddled and Carried

1. This book shows some ways animals take care of their babies. What are some ways your parents take care of you? How are they the same as animals? How are they different? Talk about it with a parent.
2. Pick two different animals in this book. They both take care of their babies. How are those ways the same? How are they different? Talk about it with a parent.
3. Why is it important for parents to take care of their babies? What would happen to most of the babies in this book if the parents didn't take care of them? Talk about it with a parent.
4. Pick one baby in the book. Write a story about how its parents take care of it. Don't forget to draw and color the pictures. Share your story with a parent.
